

## MASTER PLAN TO CRACK-THE-TAX WITH TAXBOOK<sup>+</sup>

### While you are studying

#	What to do?	How will it help?	Where?
1	Tax Traps	Note with special care to ensure you don't make common mistakes. These are given in <b>red color</b> .	TaxBook <sup>+</sup>
2	BYC Questions	Solve them all to gain a solid grasp across all provisions.	TaxBook <sup>+</sup>
3	MCQs	These are not the vanilla type baby MCQs you find in other books. These are as good as BYC questions. Solve them all to gain a solid grasp.	TaxBook <sup>+</sup>
4	Illustrations	Solve them independently after you have read once. Thus, you practice typical scenarios on all important provisions.	TaxBook <sup>+</sup>
5	Master Questions	Chapter BYC 'Master Question' highlighted in grey covers all important points of the Chapter. Practice these and you practice the whole Chapter!	TaxBook <sup>+</sup>
6	Finance Act amendments	High chance of question being asked from new provisions. Watch video with full explainer and illustrations.	<a href="#">Video</a>
7	Statutory Updates	You need to be updated on changes in law made till 31 October for May exam and till 30 April for November exam.	<a href="#">Website</a> user dashboard

### After you have studied all Chapters

#	What to do?	How will it help?	Where?
1	Tax Cruiser	Grasp interlinking of multiple concepts for solving practical questions. <b>Read 15 minutes a day</b> . Regular reading will help you overcome a <b>top</b> reason why most fail.	Tax Cruiser
2	Case Scenarios	These are of very high quality and capture multiple concepts at one go. Solve them all to get solid grasp and confidence!	<a href="#">Website</a>
3	ICAI RTP / MTP for May & Nov 22	These work like mock exam. Solve them as if you are solving your exam paper in a real setting.	<a href="#">RTP MTP</a>

### Closer to exams

#	What to do?	How will it help?
1	Tax Traps	Recap all Tax Traps. This will ensure you don't make common mistakes.
2	Tax Cruiser	Recap. You won't miss out interlinked concepts while solving practical questions.
3	Master Questions	Solve BYC Master Questions. You will practice the whole Chapter at one go.

**While you work your way, you get direct support from me for 9 months!**

Ask me anything on concepts, TaxBook<sup>+</sup>, Tax Cruiser, Practice Questions, Tax Doubts.

Request to get a topic added to Tax Cruiser

**Use 'Get Help from Sharad Sir' section of the website**

## What you don't need to do separately

#	What?	Why you need not do?
1	Questions from ICAI SM	Study Material questions are already duly adapted and integrated in TaxBook <sup>+</sup> . If you practice TaxBook <sup>+</sup> , you practice everything!
2	Past exam questions	ICAI exam questions for <b>last 20 attempts</b> for <b>New &amp; Old</b> syllabus are already given in TaxBook <sup>+</sup> , fully solved as per latest law. You won't find these many questions anywhere else. So, you don't need scanners or crackers!
3	Past RTP/MTP	These are duly adapted and integrated in TaxBook <sup>+</sup>

Happy Tax Learning!
